PROPERTY DESCRIPTION

Yes, you can afford land on Oahu when its Oahu Street in Hawaii Island Paradise Acres on the East side of the Big Island. Here is your chance to score side by side lots: adjacent parcel, TMK: 3-1-8-18-60 (MLS#226814), is also on the market and Seller prefers they be sold together.

This 8,100 square foot parcel features Hawaii's untamed natural beauty and is 60' wide and 135' long. With selective clearing you could build a home with plants and trees for shade and privacy.

Hawaii Island Paradise acres is a great neighborhood to get away from it all. Located just 20 minutes out of Hilo, but it feels a world away, as it is off the beaten path at a cool 1,650' elevation. Roads are graded and utilities include phone and overhead electric through SSPP. Water is supplied by catchment from rainwater collected on roofs and stored in tanks. Ample rainfall keeps your yard green, and your catchment tanks full.

All information presented is deemed reliable but not guaranteed. Buyer and buyers agent to investigate all material and pertinent information.

See the parcel and imagine your home on Oahu: Take highway 11 towards Volcano, pass the 13mm, go right on N. Kulani Road, LEFT on Ihope RD, LEFT on Livingston, RIGHT on Kauai. Lot on Left almost halfway down.
